## Happy New Year

The beginning of the new year seems like a good time to reflect on our organisation. Many of us joined our u3a because we were interested in taking part in a particular activity and we threw ourselves wholeheartedly into enjoying that without really stopping to think about the organisation as a whole. So here's some potted information for you to ponder with your left-over Christmas pudding and cold turkey!

Did you know?.....

- u3a in the UK was **created in 1982** based on the idea of extending learning in its widest sense to the older generation - allowing those of the 'third age' to continue learning, developing skills, and sharing their accumulated knowledge with others.
- Originally entitled the '**University of the Third Age**', the word 'university' was being used in its original sense of 'for everyone' studying and learning together. But, a review of the title was thought to be off-putting, and sounded too formal for many older people and it is no longer used.
- The fundamental concept was that individual u3as were to be run **by** their members **for** their members. There would be no paid teachers. Older folk had a lifetime of experience, knowledge and skills and would learn together and from each other. **Teachers would be learners and learners would be teachers.**
- Each u3a is an independent charity with its own Board of Trustees answerable to the Charity Commission.
- However, there is a **national body** which supports, advises and offers services to individual u3as. For example, all u3as are covered by insurance from the national office. It also offers legal advice, on-line learning (see our web-site for details), branded goods such as T-shirts, diaries, lanyards, Subject Advisors to offer ideas and advice to Group Organisers, an annual week's u3a festival, training sessions, a quarterly magazine. Every u3a pays the national body a capitation fee per member (currently £4.00) to pay for the national services.
- There is also a voluntary **regional network** so that u3as in a particular region can get share ideas, activities and support each other. Because of its geographical position Swindon u3a actually belongs to the South West Network and the South East Network. See the advert below for a new SW Regional person if you are interested in getting involved.
- Every u3a is run by **volunteers** – no-one is paid. Here in Swindon u3a we have a wonderful group of volunteers such as our Committee, Office Team, Finance Team, Events Team, Publicity Team, IT team and a host of other tasks. Our Tea Team can be seen providing refreshments at all our events. The bottom line is 'no volunteers, no u3a'! **Do think of volunteering.**
- Across the UK there are now over **1,000 local u3as and 400,000 u3a members in the UK. Swindon u3a is one of the largest u3as with about 120 interest groups and 1600 members.**

## Monthly Meetings

### Report of Monthly Meeting – Christmas Party

Our party on 8 December got us into the festive spirit with another fun Christmas quiz from Chris Brooks, a picture quiz to test our knowledge of Christmas songs, Christmas bingo, a reading by members of A A Milne's 'King John's Christmas' poem plus time to socialise over tea and cake.

Thanks go to Gill Brain for arranging another fun party, to Ian Hartley for once again baking some delicious cakes, and to Monica Brian and her team for all the teas and coffees they have served us during the year.

The 2026 programme of Monthly Meetings will commence on Monday 12 January and I look forward to seeing you then.

## Climate Change Group

### Spring Term 2026 Programme

With extreme weather events continuing to increase in the UK and worldwide, it is no longer possible to ignore or downplay, as our mass media and authorities are doing, the gravity of the climate and natural world crisis. This situation was highlighted by a top-level conference held by the National Emergency Briefing on 27 November 2025 at which 150 MPs attended at Westminster. Unfortunately, our two Swindon MPs could not attend. The aim of the National Emergency Briefing organisation is to persuade government to take emergency action and to create a societal tipping point towards genuine emergency action on the climate and nature crisis.

The recent COP 30 UN climate conference held in Brazil was a disappointment despite wide international goodwill shown by most nations, key players such as the US and China did not attend.

To their credit Keir Starmer and Ed Milliband did. However, despite the high hopes raised in the UN Paris Climate Agreement in 2015 to drastically reduce greenhouse gas emissions, these are still rising and we are getting nearer the critical 2c rise in temperatures from pre-industrial levels. COP 30 has still not made any guarantees for the bold mitigation and adaptation measures needed.

Swindon u3a Climate Change Group will holding 5 sessions on these critical aspects next term:

1. Food Security
2. Energy/power Supply
3. Transport
4. Housing
5. Economy, Finance (how are we going to pay for it?) Politics

All u3a members welcome. The meetings will be held at the Friends Meeting House 79 Eastcott Hill Swindon SN1 3JF.

Meetings will be held from 10.30 am to 12 noon on the following dates:  
Tuesdays January 13<sup>th</sup> and 20<sup>th</sup>. Tuesdays February 3<sup>rd</sup>, 10<sup>th</sup> and 17<sup>th</sup>

### Ring Out Wild Bells

*Alfred, Lord Tennyson)*

Ring out, wild bells, to the wild sky,  
The flying cloud, the frosty light:  
The year is dying in the night;  
Ring out, wild bells, and let him die.

Ring out the old, ring in the new,  
Ring, happy bells, across the snow:  
The year is going, let him go;  
Ring out the false, ring in the true.

Ring out the grief that saps the mind  
For those that here we see no more;  
Ring out the feud of rich and poor,  
Ring in redress to all mankind.

Ring out a slowly dying cause,  
And ancient forms of party strife;  
Ring in the nobler modes of life,  
With sweeter manners, purer laws.

Ring out the want, the care, the sin,  
The faithless coldness of the times;  
Ring out, ring out my mournful rhymes  
But ring the fuller minstrel in.

Ring out false pride in place and blood,  
The civic slander and the spite;  
Ring in the love of truth and right,  
Ring in the common love of good.

Ring out old shapes of foul disease;  
Ring out the narrowing lust of gold;  
Ring out the thousand wars of old,  
Ring in the thousand years of peace.

Ring in the valiant man and free,  
The larger heart, the kindlier hand;  
Ring out the darkness of the land,  
Ring in the Christ that is to be
